

Indoor Ceiling Fan with Light

This elegant ceiling fan provides both air circulation and lighting. It features a bronze finish with ornate detailing and five dark wood blades, along with an integrated lighting fixture with six bell-shaped shades.

Product Overview

Elegant Indoor Climate Control

This indoor ceiling fan combines sophisticated design with practical climate control functionality. Featuring a bronze finish with ornate detailing and five dark wood blades, it serves as both a decorative centerpiece and a functional appliance. The integrated lighting fixture, complete with six bell-shaped shades, provides ambient illumination while the fan ensures efficient air circulation for customized comfort.

Energy Efficiency

Operational Cost Savings

P Number	Rated Power (W)	Saving/Day (\$)
1P	1200	2.622
2P	2200	5.182
3P	3100	7.486

Efficiency Benefit

Using the ceiling fan in clockwise mode during summer can create a wind chill effect, allowing air conditioner settings to be raised, potentially saving 40% or more in energy costs.
