

Indoor Ceiling Fan with Light

This ceiling fan is designed for indoor use, providing both air circulation and lighting. It features wooden blades, a central light fixture, and pull chains for controlling the fan speed and light.

Overview

Luxury Decorative Ceiling Fan

This indoor ceiling fan combines elegant design with functional air circulation and illumination. Featuring four wooden blades and a classic white finish, it serves as both a decorative element and a practical appliance for indoor spaces. The unit supports versatile airflow control and is compatible with energy-saving lighting solutions.
