

Indoor Ceiling Fan with Light

This ceiling fan features five dark wood-finished blades and an integrated lighting fixture. Designed with a bronze-colored motor housing, it includes pull chains for controlling the fan speed and light operation.

Product Overview

Elegant Indoor Air Circulation

This indoor ceiling fan combines functional air circulation with integrated ambient lighting, making it an ideal choice for residential or commercial interior spaces. It features a sophisticated design with five dark wood-finished blades and a bronze-colored motor housing. The integrated lighting fixture utilizes three frosted glass shades to provide soft, even illumination.
