

Indoor Ceiling Fan with Light

This ceiling fan provides both cooling and illumination for indoor use. It features five wooden blades, a dark bronze finish, and an integrated lighting fixture with three frosted glass shades.

Product Overview

Elegant Indoor Cooling and Illumination

This indoor ceiling fan combines functional cooling with integrated lighting to enhance any interior space. Featuring five wooden blades and a sophisticated dark bronze finish, it offers a classic aesthetic suitable for residential or commercial settings. The unit includes three frosted glass shades, providing warm and diffused illumination alongside efficient air circulation.
