

Indoor Ceiling Fan with Light

This ceiling fan is designed for indoor use and features five wooden blades. It also includes a central light fixture with a spherical white glass cover.

Product Overview

Versatile Indoor Comfort

This indoor ceiling fan combines efficient air circulation with integrated illumination, making it an ideal choice for residential or commercial interior spaces. Featuring five wooden blades and a classic brushed metal housing, it offers a timeless aesthetic that complements various interior styles. The unit is designed for reliable performance, providing both cooling comfort and essential lighting from a single, convenient fixture.
