

Indoor Ceiling Fan with Light

This indoor ceiling fan provides both air circulation and illumination for any room. It features five blades and a central lighting fixture with three frosted glass shades.

Overview

Elegant Indoor Air Circulation

This indoor ceiling fan combines functional air circulation with ambient lighting, making it an ideal choice for residential or commercial interior spaces. Featuring five dark wood-finished blades and a bronze-toned motor housing, it offers a classic aesthetic that complements various decor styles. The unit is equipped with a three-light fixture featuring frosted glass shades, providing effective illumination alongside cooling comfort.
