

Indoor Ceiling Fan with Light

This ceiling fan provides air circulation and illumination. It features multiple blades and an integrated lighting fixture.

Product Overview

Elegant Indoor Air Circulation

This indoor ceiling fan combines efficient air circulation with integrated illumination, making it a versatile choice for residential or commercial interior spaces. Featuring five dark wood-finished blades and a classic bronze-colored motor housing, it offers a sophisticated aesthetic that complements various decor styles. The unit includes a three-light fixture with frosted glass shades, providing functional lighting alongside comfort.
