

# Indoor Ceiling Fan with Light Kit

This ceiling fan features five wooden blades and an integrated light kit with three frosted glass shades. Designed for indoor use, it provides both cooling and illumination to enhance comfort and ambiance.

## Product Overview

### Comfort and Efficiency

This indoor ceiling fan combines effective air circulation with integrated lighting to enhance both comfort and ambiance in living spaces. Designed for quiet, long-lasting performance, it features five wooden blades and a dark bronze finish. By optimizing air movement, this fan helps reduce reliance on air conditioning systems, leading to significant potential energy savings in both residential and commercial settings.

## Design & Construction

Blade Material	Wood
Number of Blades	5
Finish	Dark Bronze
Lighting	Integrated light kit with 3 frosted glass shades
Control	Pull Chain

## Energy Efficiency

### Energy Savings Analysis

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Electricity Charge/Day (Currency Unit)	7.68	14.08	19.84
Saving Charge/Day (Currency Unit)	2.622	5.182	7.486

### Operating Benefit

Clockwise rotation produces a wind chill effect, allowing air conditioner temperature settings to be raised for up to 40% energy savings.
