

Indoor Ceiling Fan with Multi-Color Blades and Light

This ceiling fan features five colorful blades in red, yellow, green, blue, and orange. It includes a white fixture with multiple lights, providing both cooling and illumination for indoor spaces.

Product Overview

Playful and Functional Cooling

This indoor ceiling fan features a vibrant, multi-color design with five distinct blades in red, yellow, green, blue, and orange. It combines effective air circulation with integrated lighting, making it an ideal choice for children's bedrooms, playrooms, or creative spaces. The fixture is designed to provide both cooling comfort and essential illumination in a single, space-saving unit.
