Overview

Modern Indoor LED Illumination

This versatile series of indoor LED ceiling lights is designed to provide bright, even illumination for a wide range of residential and commercial spaces. Featuring a diffused lens for soft light distribution and a modern aesthetic, these fixtures blend seamlessly into contemporary interiors. With multiple power options ranging from 9W to 36W, this product line offers energy-efficient lighting solutions suitable for various room sizes and brightness requirements.

Technical Specifications

Model Performance Data

| Model | Power | Diameter | Luminous Flux |
|--------|-------|----------|---------------|
| CL-9W | 9W | 190mm | 720lm |
| CL-12W | 12W | 230mm | 960lm |
| CL-18W | 18W | 300mm | 1440lm |
| CL-24W | 24W | 350mm | 1920lm |
| CL-36W | 36W | 450mm | 2880lm |

Electrical Characteristics
