

# Indoor LED Night Light with Ribbed Cover

This indoor LED night light provides a soft, ambient glow. It features a clear ribbed plastic cover and is designed for simple plug-in use.

## Overview

### Ambient Indoor Illumination

This indoor LED night light is designed to provide a soft, ambient glow, making it an ideal solution for hallways, bedrooms, or nurseries. Featuring a durable ribbed plastic cover, it diffuses light evenly to reduce glare. The compact design includes a convenient on/off switch and a standard two-prong plug for immediate, hassle-free installation.
