

Industrial Air Compressor

This heavy-duty compressor is designed for industrial use. It features a control panel, multiple gauges and switches, and a safety enclosure.

Overview

Industrial Air Compressor

This heavy-duty industrial air compressor is engineered for demanding stationary applications. Featuring a robust, safety-conscious design, it includes an integrated control panel with precision gauges and switches for reliable operation. The unit is built for durability and consistent performance in industrial environments.

Technical Specifications

Installation Type

Stationary

Model Number

JZ21G-45

Series

ZDM

Design & Safety

Control Interface

- Multi-gauge display
- Operational switches
- Safety warning indicators

Construction

Heavy-duty, Safety Enclosure, Industrial Grade
