

Industrial Cotton String Wet Mop with Metal Handle

This industrial cotton string wet mop features a durable metal handle and a high-absorbency cotton mop head. Designed for commercial and industrial cleaning, this mop is ideal for effectively removing dirt and grime from large floor surfaces.

Product Overview

Industrial-Grade Cleaning Performance

This industrial cotton string wet mop is engineered for heavy-duty cleaning in demanding commercial environments. Featuring a high-absorbency cotton mop head, it is designed to efficiently remove dirt and grime from large floor surfaces. The sturdy yellow metal handle ensures long-lasting durability and a comfortable grip, making it an ideal choice for high-traffic areas such as factories, warehouses, and schools.
