

Industrial Platform Trolley with Foldable Handle

This platform trolley is designed for industrial and commercial use. It features a robust steel frame, a durable platform surface, and a foldable handle for compact storage.

Product Overview

Industrial Platform Trolley

This heavy-duty platform trolley is engineered for demanding industrial and commercial environments. It features a robust steel frame and a durable, non-slip platform surface designed to ensure secure load transport. With its foldable handle, the unit offers excellent space-saving storage capabilities, making it an ideal solution for warehouses, factories, and logistics operations.

Design & Build

Frame Material	Steel
Handle Configuration	Foldable
Surface Features	Non-slip surface, Durable

Performance & Mobility

Recommended Usage

Warehouse • Factory • Industrial

Mobility System	Swivel Casters
