

Industrial Steel Cable Winch

This heavy-duty winch is designed for industrial applications. It features a robust steel frame and a large-diameter drum for spooling thick cable or rope.

Product Overview

Industrial-Grade Cable Winch

This heavy-duty industrial winch is engineered for demanding lifting and pulling operations. Constructed with a robust steel frame and finished in a high-visibility, corrosion-resistant blue coating, it is built to withstand harsh operating environments. The design features a large-diameter drum for efficient cable spooling and secure mounting points to ensure stable installation.

Construction & Design

Material & Finish	Steel, Corrosion-resistant, Blue Finish
Mounting Points	Yes

Mechanical Features

Safety & Guidance

- Braking mechanism integration
- Drive mechanism housing
- Horizontal guide bar

Drum Design	Large-diameter central drum
