

Industrial Surge Protector Power Strip

This surge protector power strip is designed for industrial and commercial use. It provides reliable protection against power surges and voltage spikes, ensuring the safety of connected equipment.

Product Overview

Industrial-Grade Surge Protection

This heavy-duty surge protector power strip is engineered for reliable performance in demanding commercial and industrial environments. Featuring six high-capacity outlets, it provides robust protection against dangerous power surges and voltage spikes. With an integrated circuit breaker and clear visual surge status indicators, it ensures your sensitive equipment remains safe and operational.

Technical Specifications

Number of Outlets	6
Circuit Protection	Integrated circuit breaker

Compliance and Safety

Status Features	Surge Indicator Light
Safety Certifications	ETL Listed, Intertek
