

Insulated 24-Can Cooler Bag

This cooler bag is designed to hold up to 24 cans and keep them cold for extended periods. It features a zippered top, a front pocket, top carry handles, and an adjustable shoulder strap.

Overview

Versatile 24-Can Insulated Cooler

This durable cooler bag is designed to hold up to 24 standard 330 ml cans, making it an ideal choice for outdoor events, picnics, and travel. Constructed from water-resistant material with an insulated interior, it ensures optimal temperature retention for beverages and food. The bag features versatile carrying options with both top handles and an adjustable shoulder strap for maximum portability.
