

Ionic Hair Brush for Smoothing and Detangling

This ionic hair brush is designed to smooth and detangle hair while reducing frizz and static. Its bristles distribute natural oils, leaving hair smooth and shiny, and the ergonomic handle ensures a comfortable grip.

Product Overview

Professional Ionic Hair Brush

This classic round hair brush is engineered for effective smoothing and detangling. Featuring a blend of nylon bristles, it helps remove loose hair while gently stimulating the scalp to increase circulation. Designed with a fine-touch finish and customizable color options, it is an essential tool for maintaining healthy, frizz-free hair.
