Product Overview

High-Precision SMT Nozzle

This high-precision nozzle is designed for automated surface mount technology (SMT) pick-and-place machines. Engineered for reliable component handling, it features a durable spring-loaded mechanism built to withstand high-speed production environments. Available as both original and copy types, this part ensures consistent placement accuracy in electronic assembly processes.

Technical Specifications

Part Number	40001342
Model ID	504

Product Compatibility

Compatible Series List

- 500 (40011046)
- 501 (40001339)
- 502 (40001340)
- 503 (40001341)
- 505 (40001343)
- 506 (40001344)
- 507 (40001345)
- 508 (40001346)
- 510 (E36157290A0)
- 511 (E36167290A0)
- 509 (40025165)
