

# Kids Ride-On Twisting Car

This ride-on twisting car is designed for children. It features a steering wheel for directional control and a backrest for safety.

## ADDITIONAL IMAGES

## Product Overview

### Engaging Ride-On Experience

This kids' ride-on twisting car is designed to provide an active and fun experience for young children. Featuring a unique self-propulsion mechanism, children move the vehicle by simply twisting the steering wheel, which encourages physical coordination and play. The durable, molded plastic design is suitable for both indoor and outdoor use on smooth surfaces, making it a versatile addition to any play area.

## Key Features
