

Kitchen Knife Set with Display Stand

This set includes five knives of varying sizes for versatile use. The knives are held in a wooden and metal stand designed for secure storage and countertop display.

Product Overview

Professional Kitchen Knife Set

This comprehensive kitchen knife set is designed for both functionality and aesthetic appeal, featuring five precision-crafted knives with ergonomic black handles. The set includes a unique, multi-tiered display stand that combines a wooden block top, a durable metal wire mesh cylinder, and a sturdy wire base. Perfect for modern kitchens, this set ensures your essential tools are organized, secure, and always within reach.
