

Kitchen Ventilation Hood with Black Glass Finish

This sleek kitchen hood is designed for efficient ventilation. It features touch controls and provides powerful extraction to eliminate smoke, odors, and grease.

Overview

Modern Kitchen Ventilation

This kitchen ventilation hood features a sleek black glass finish designed to elevate the aesthetic of any contemporary kitchen. Engineered for performance, it utilizes a powerful full-sealed metal AC motor to ensure efficient smoke and odor extraction. With intuitive sensor touch controls and energy-efficient LED lighting, this unit combines high functionality with modern style for a clean cooking environment.

Performance Metrics

Airflow Capacity

1200 m³/h

Airflow

220 Pa

Air Pressure

Noise Level

53 dB

Technical Specifications

Motor Type	Full sealed metal AC motor
Total Input Power	184 W
Fan Type	Metal fan with teflon finish
Venting Size	150 mm

Features & Control

Speed Levels	3
Control Interface	Sensor touch control
Lighting	2*2W LED
Filter System	5 layer aluminium filter

Physical Dimensions
