Product Overview

Professional Electric Sprayer

The FST-16DH-3 is a versatile knapsack electric sprayer engineered for efficient plant protection and garden maintenance. Featuring a 16-liter tank and a reliable 12V/8AH battery, it provides consistent pressure and flow for agricultural and horticultural applications. Its ergonomic backpack design ensures comfortable portability, allowing for precise and controlled application of pesticides, herbicides, and fertilizers.

Technical Specifications

Tank Capacity	16 L
Pressure Range	0.15-0.4 MPa
Outlet Flow Rate	1.2-2.5 L/min

Power System

Battery Capacity

12 V
Voltage

8 AH
Capacity

Features

Design Highlights

- Backpack-style ergonomic design
- Adjustable spraying nozzle
- Integrated on/off switch
- External charging port
- Durable plastic tank construction

Ideal Applications

Agriculture, Gardening, Pesticide Application, Herbicide Application, Fertilizer Distribution
