

Kneading Massage Mat with Heat

This massage mat is designed for targeted relief and relaxation. It features massage nodes with optional heat to soothe sore muscles and promote overall well-being.

Overview

Professional Shiatsu Kneading Mat

This slim kneading massage mat is designed for versatile use in the home, office, or vehicle. It features specialized nodes that provide bi-directional shiatsu massage combined with soothing infrared heat to target deep muscle tension. Its ultra-slim 8 cm profile ensures portability and compatibility with various seating types, providing an ergonomic solution for daily relaxation.
