

Ladies Beach Cruiser Bicycle with Carrier

This lady-type bicycle features a heavy-duty carrier. It is equipped with an OPC (One-Piece Crank) and coaster brake and comes in G/W white color.

Product Overview

Classic Ladies Beach Cruiser

This ladies' beach cruiser bicycle combines vintage style with practical utility, featuring a robust frame design tailored for comfort. Equipped with a heavy-duty rear carrier, it is ideal for casual commuting or leisurely rides along the coast. The bike utilizes a reliable one-piece crank system and a coaster brake for simple, intuitive stopping power.
