

Latex Coated Work Gloves

These latex coated gloves provide excellent grip and hand protection for a variety of tasks. They feature a comfortable knit liner for breathability and the latex coating offers abrasion resistance in wet and dry conditions.

Product Overview

Professional Latex Coated Gloves

These latex dipped gloves offer excellent grip and protection for various tasks, making them a versatile choice for demanding environments. Designed with a comfortable knit liner, they ensure breathability for extended wear throughout the workday. The robust latex coating provides superior abrasion resistance and enhanced grip in both wet and dry conditions, suitable for general purpose use, gardening, construction, and material handling.
