

# Laundry Washing and Drying Machine

This machine combines both washing and drying functions. It provides a convenient solution for cleaning and drying clothing.

## Product Overview

### Industrial Laundry Solution

This advanced laundry washing and drying machine is designed for high-capacity cleaning and drying needs in professional environments. Engineered for efficiency and durability, it offers a seamless workflow for processing textiles quickly and effectively. Its robust construction ensures reliable performance even under heavy-duty usage cycles.

## Operational Metrics

### Key Performance Metrics

**15 kg**

Washing Capacity

**15 kg**

Drying Capacity

## Technical Specifications

Machine Type	Combined Washing and Drying Unit
Certifications	ISO 9001, CE
