

Leaf and Debris Blower

This blower is a powerful and efficient tool designed for clearing leaves, debris, and other materials from outdoor areas. Featuring a robust engine, this blower delivers high air volume and velocity for effective cleaning.

Overview

Efficient Debris Management

The Leaf and Debris Blower is a professional-grade tool designed for efficient maintenance of lawns, gardens, and large outdoor spaces. Engineered for reliability, it features a robust 25.4ml engine that delivers consistent performance for clearing leaves and debris. Its ergonomic design and optimized power output make it an ideal choice for both residential and commercial landscaping tasks.

Technical Specifications

Maximum Power

0.7 kW

Power Output

7500 r/min

Rated Speed

Engine Displacement	25.4 ml
Air Volume	0.13 m ³ /s
Engine Model	1E34FB

Physical Dimensions

Net Weight	6.3 kg
Packing Dimensions	845 x 340 x 350 mm

Identification

Item Number	EBV-260
