

Leather Bi-Fold Wallet

This leather bi-fold wallet features multiple card slots and compartments for cash. It also includes a transparent ID window.

Product Overview

Premium Leather Bi-Fold Wallet

This classic bi-fold wallet is crafted from high-quality leather, combining durability with a sophisticated aesthetic. Designed for professional use, it features multiple card slots, dedicated compartments for cash, and a transparent ID window for quick accessibility. The double-stitched detailing ensures long-lasting resilience, making it an ideal choice for corporate gifts or premium retail inventory.
