

Leather Palm Work Gloves

Durable work gloves feature a leather palm and fingers for enhanced grip and protection. The back of the gloves is made of a patterned orange fabric with repeating text.

Product Overview

Professional Leather Palm Work Gloves

These durable work gloves are engineered for reliability in demanding industrial environments. Featuring reinforced leather palms and fingers, they provide superior grip and abrasion resistance where it matters most. The breathable, patterned fabric back ensures comfort during extended wear, making them an ideal choice for general labor and construction tasks.
