LED Corn Light Bulb

This LED corn light bulb is an energy-efficient replacement for traditional bulbs. Its corn-cob design and aluminum heat sink provide bright, uniform illumination and efficient thermal management.

Product Overview

High-Efficiency LED Corn Light

This LED corn light bulb serves as a high-performance, energy-efficient replacement for traditional HID lighting. Featuring a compact size with high lumen output, it is engineered to provide bright, uniform illumination for diverse environments. Its 360° rotatable design and thermal management capabilities ensure versatility and durability, making it an ideal choice for professional-grade lighting needs.

Technical Specifications

Beam Angle	360 degrees
Enclosure Compatibility	Yes
Rotatable Design	Yes

Application Areas

Suitable Environments	Residential, Parks, Stadiums, Parking Lots, Rural Areas

Rooms 05–15, 13A/F South Tower, World Finance Centre, Harbour City, 17 Canton Rd, Tsim Sha Tsui, Kowloon, Hong Kong
