

# LED Outdoor Security Wall Light with Motion Sensor

This wall-mounted LED security light features a motion sensor for automated lighting. It is designed for outdoor use, providing bright, energy-efficient illumination.

## ADDITIONAL IMAGES

## Product Overview

### Professional Outdoor Security Solution

This LED security wall light provides efficient, automated illumination for residential and commercial outdoor spaces. Built from durable, weather-resistant PC+ABS materials, it features a highly sensitive integrated PIR sensor that detects motion between 3 and 8 meters. With adjustable lux and time settings, this fixture offers customized security and energy savings while maintaining a high CRI for clear visibility.

## Technical Specifications

### Performance Metrics

<b>10 W</b> Power Rating	<b>80 lm/w</b> Luminous Efficacy	<b>30000 H</b> Lifespan
-----------------------------	-------------------------------------	----------------------------

### Electrical Characteristics

Parameter	Value
Voltage	200-240VAC 50/60Hz
Power Factor	>0.5
Color Rendering Index	RA > 80

## Optical & Sensor

### Sensor Calibration

- Lux Threshold: 3-2000 LUX
- Detection Time: 10S-10MIN
- Detection Range: 3-8M

Beam Angle	120 °
------------	-------

## Construction & Compliance

Ratings	IP54, Weather-Resistant, PIR Sensor
Build Materials	PHOTODIFFUSION PC+ABS
