Product Overview

Robust LED Oval Bulkhead Light

This LED Oval Bulkhead Light is a versatile and energy-efficient lighting solution engineered for both indoor and outdoor environments. With its durable, impact-resistant construction and IP54 rating, it offers reliable performance in corridors, stairwells, and exterior building surfaces. Designed for longevity and minimal maintenance, it provides uniform, glare-free illumination to suit a variety of professional lighting requirements.

Performance & Technical

Performance Metrics

14 W Max Wattage	1000 lm Max Luminous Flux	120 ° Beam Angle	25000 hrs Lifespan
----------------------------	-------------------------------------	----------------------------	------------------------------

Electrical Specifications

Parameter	Value
Voltage	AC 220-240V
Frequency	50Hz
Color Temperature Options	3000K / 4000K / 6500K

Construction & Features

Material Composition

- PC Body
- PC Diffuser
- ABS Frame

Ingress Protection

IP54

Motion Sensing

Yes
