

LED Pendant Ceiling Fan with Cage

This pendant fan lamp combines the functionality of a ceiling fan with the aesthetic appeal of a decorative light fixture. Featuring a circular LED light surrounding the fan blades, it provides both illumination and air circulation.

Product Overview

Vintage-Inspired Comfort and Illumination

This pendant fan lamp seamlessly blends retro aesthetic charm with modern functionality, making it an ideal choice for dining rooms, bedrooms, and hospitality settings like hotels or pubs. The design features a protective cage enclosure for safety and a high-performance copper motor for quiet, efficient operation. With integrated LED lighting and convenient remote control settings for both wind speed and timing, this fixture offers a complete solution for ambient lighting and air circulation.
