

LED Pumpkin Keychain with Metal Clip

This pumpkin keychain features a built-in LED light. It includes a metal clip for secure attachment.

Product Overview

Compact Halloween Accessory

This black pumpkin-shaped keychain is a versatile accessory designed for both seasonal Halloween use and everyday utility. Featuring an integrated LED light that shines through the carved-out face, it provides convenient illumination on the go. The design includes a durable metal chain and clip, allowing for easy attachment to keys, backpacks, or bags.
