

LED Wall Lamp with USB and Wireless Charging

This LED wall lamp features integrated USB and wireless charging. The lamp has adjustable brightness and a minimalist design with gold accents.

Product Overview

Modern LED Wall Lamp with Integrated Charging

This modern LED wall lamp is designed for versatile indoor decoration, combining functional lighting with convenient charging solutions. Featuring a sleek, minimalist aesthetic with a white backplate and elegant gold-tone accents, it serves as both a stylish accent piece and a practical bedside light. The unit integrates a circular LED light, a USB charging port, and a wireless charging pad, making it an ideal choice for contemporary living spaces.
