

Lightweight Over-Ear Headphones with Soft Earcups

These lightweight over-ear headphones feature a compact, portable design. Soft earcups ensure comfortable extended use and a secure fit.

Product Overview

Designed for Comfort and Clarity

These lightweight over-ear headphones are engineered for portability and extended wear, making them an ideal choice for active lifestyles. Featuring soft earcups and an adjustable headband, they provide a secure and comfortable fit for long listening sessions. With clear audio quality suitable for music, podcasts, and calls, these headphones offer reliable performance for daily use.
