

Lion and Cub Silver Sculpture on Marble Base

This meticulously crafted silver sculpture depicts a majestic lion and its cub perched atop a rugged, rocky formation. The sculpture is mounted on a sleek, black marble base, adding a touch of elegance and stability.

Product Overview

Artistic Craftsmanship

This meticulously crafted silver sculpture depicts a majestic lion and its cub perched atop a rugged, rocky formation. Mounted on a sleek, black marble base, the piece offers both stability and a touch of sophisticated elegance. The intricate detailing, particularly in the lion's mane and the cub's expression, showcases exceptional artistry, making it a striking decorative item for any professional or luxury space.
