Product Overview

High-Performance Alkaline Power

These LR6 AA alkaline batteries are engineered for reliable, long-lasting performance in a variety of high-drain devices. Each unit delivers a standard 1.5V output, ensuring consistent energy flow for your equipment. Designed with convenience in mind, the batteries are supplied in a secure, organized cardboard envelope packaging, making them an ideal solution for bulk storage and efficient distribution.

Technical Specifications

Battery Type	Alkaline (LR6/AM3)
Nominal Voltage	1.5 V
Size Standard	AA

Packaging & Logistics

Packaging Type	Cardboard Envelope
Batteries Per Package	36

Key Features

Performance Features	High-Drain Compatible, Long-Lasting, Ultra Alkaline, Secure Storage
