

LR6 Alkaline Batteries

This battery pack contains LR6 alkaline batteries. The packaging includes 50 batteries per box, 10 boxes per carton, and 500 batteries per carton.

Overview

High-Performance LR6 Alkaline Batteries

These LR6 alkaline batteries are designed for reliable, long-lasting power across a wide range of electronic devices. Packaged in convenient, tearable hanging cards, they are optimized for both retail display and efficient storage. The robust packaging ensures batteries remain organized, with a clear configuration of 50 batteries per box and 500 per carton, making them an ideal solution for bulk sourcing.
