

Marble Base Table Lamp with Black Shade

This table lamp features a cylindrical black shade suspended from a curved black metal arm. The base is made of white marble, providing a stable and sophisticated foundation.

Product Overview

Sophisticated Modern Lighting

This elegant table lamp features a refined marble base paired with a black and gold metal arm, offering a perfect blend of stability and style. The classic cylindrical shade creates a warm, ambient light suitable for various professional and residential environments. With its high-quality construction and modern aesthetic, this lamp serves as both a functional task light and a decorative centerpiece.
