

Marine Immersion Suit with Buoyancy Pillow

This marine immersion suit is constructed from 5mm thick neoprene. It includes an integrated buoyancy pillow, eliminating the need for a separate lifejacket.

Product Overview

Marine Immersion Suit with Buoyancy Pillow

This professional-grade marine immersion suit is engineered for critical lifesaving operations in harsh maritime environments. Featuring a high-visibility red waterproof shell, the suit ensures maximum protection and buoyancy for the wearer. It is equipped with integrated three-finger gloves and reflective strips to enhance safety and visibility during emergency situations.
