

Maroon Cruiser Motorcycle with Chrome Accents

This cruiser motorcycle has a size of 2050mm*710mm*1130mm. It features a maroon fuel tank and fenders, complemented by chrome detailing.

Overview

Maroon Cruiser Motorcycle

This cruiser motorcycle combines classic styling with reliable performance, featuring a distinctive maroon finish paired with polished chrome accents. Designed for efficient commuting, it offers a balance of power and fuel economy suitable for urban and suburban environments. The inclusion of essential features like electric and kick starters, along with a practical luggage rack, makes it a versatile choice for daily transport.
