

# Medium Duty Portable Cutting and Welding Kit

This medium-duty kit is a versatile toolset for cutting and welding. It includes cutting and welding torches, regulators, hoses, and assorted nozzles, all organized in a durable carrying case.

## ADDITIONAL IMAGES

## Product Overview

### Versatile Cutting and Welding Solution

This medium-duty portable kit provides a comprehensive solution for precise welding, soldering, brazing, and cutting tasks. Designed for professional reliability, the set includes essential regulators, torches, and accessories, all organized in a high-quality, durable plastic storage box. It is an ideal choice for on-site maintenance, construction, and automotive repair applications requiring flexibility and ease of transport.

## Performance Capabilities

|                  |        |
|------------------|--------|
| Cutting Capacity | 150 mm |
| Welding Capacity | 31 mm  |

## Standards & Compliance

|                    |             |
|--------------------|-------------|
| Regulator Standard | EN 2503, UL |
| Torch Standard     | EN 5172, UL |

## Kit Components

### Included Components

- Torch Handle (G01-100B-H)
- Cutting Attachment (G01-100B-CA)
- Cutting Tip (3-101 0#)
- Welding Tips (V1-0#, 2#, 4# with Mixer)
- Oxygen Regulator (OR-20B)
- Acetylene Regulator (AR-20B)
- Tip Cleaner
- Spark Lighter
- Wrench
- Welding Goggle

### Hose Specifications

**4.5 M**

Hose Length

**0.25 inch**

Hose Diameter

## Optional Accessories

### Available Options

- Heating Nozzle (MFA-1-6#)
- Check Valve
