

Medium Duty Portable Gas Cutting and Welding Kit

This portable gas cutting and welding kit is designed for medium-duty applications. It includes a variety of tips, regulators, hoses, and accessories for cutting, welding, and brazing.

Product Overview

Versatile Medium-Duty Gas Kit

This American-type medium-duty portable gas kit is engineered for precision welding, soldering, brazing, and cutting applications. It features high-quality regulators conforming to EN ISO 2503 standards and a torch conforming to EN ISO 5172, ensuring reliable performance. Designed for durability and ease of transport, the entire set is securely packed in a high-quality plastic storage box.

Performance Capabilities

Cutting Capacity

150 mm

Max Cutting Thickness

Welding Capacity

50 mm

Max Welding Thickness

Kit Contents

Standard Components

- Torch Handle: G01-100P-H
- Cutting Attachment: G01-100P-CA
- Mixer: 23A90
- Oxygen Regulator: OR-10
- Acetylene Regulator: AR-10
- Grade-R Twin Hose (1/4" x 4.5M with 9/16 fittings)

Tips and Nozzles

- Cutting Tip: 6290-1#
- Welding Tips: 3#, 5#, 7#
- Heating Nozzle (Optional): H1 HW

Accessories

Safety & Maintenance Tools

Tip Cleaner, Spark Lighter, Wrench, Welding Goggle

Compliance & Standards

Standards Compliance

EN ISO 2503 (Regulator) • EN ISO 5172 (Torch)
