

Men's Polar Fleece Jacket

This polar fleece jacket provides optimal warmth and comfort. It features a full-length zipper, multiple pockets for storage and reinforced seams for enhanced durability.

Product Overview

Professional Polar Fleece Jacket

This high-performance polar fleece jacket is engineered for durability and warmth in demanding work environments. Constructed from 280gsm polyester fabric, it offers excellent insulation while maintaining breathability for all-day comfort. Featuring reinforced triple stitching, multiple utility pockets, and a reliable PVC zipper, this garment is designed to withstand the rigors of industrial and outdoor use.
