

Metal Casing Handheld Flashlight

This handheld flashlight is designed for a variety of illumination purposes. It features a durable metal casing and a reflector for focused light projection, along with a simple power switch.

General Overview

Professional Illumination Solution

This handheld flashlight is engineered for durability and consistent performance in demanding environments. Featuring a high-quality metal casing, it offers robust protection against daily wear and tear. The integrated precision reflector ensures a focused light projection, making it a reliable tool for professional indoor and outdoor illumination tasks.

Physical Characteristics

Material Construction	Robust Metal
Design	Handheld

Performance
