

Metal Scraper Set with Ergonomic Handles

This set of metal scrapers is suitable for surface preparation and finishing tasks. The tools feature durable metal blades and ergonomic red plastic handles for a secure grip and reduced hand fatigue.

Product Overview

Professional Metal Scraper Set

This durable metal scraper set is designed for efficient surface preparation and finishing tasks. Featuring stainless steel blades, these tools are built to handle the removal of paint, adhesives, and various residues with ease. The ergonomic red plastic handles are specifically engineered to provide a secure, comfortable grip, minimizing hand fatigue during extended professional use.
