Overview

Professional Mini Air Compressor

This portable, oil-free piston air compressor is an ideal solution for designers, artists, modelers, and cake decorators. It features an automated on-demand air supply system that shuts off when the target pressure is reached, enhancing energy efficiency and unit longevity. Designed for quiet operation, it is perfectly suited for home or studio environments where noise reduction is essential.

Performance & Power

Rotational Speed

1450 rpm

Low Voltage Speed

1700 rpm

High Voltage Speed

Voltage Options

220-240V 50Hz, 110-120V 60Hz

Air Delivery

23 L/min

Pressure Control

Pressure Settings

| Function | Pressure (Bar) | Pressure (PSI) |
|------------|----------------|----------------|
| Auto-Start | 3 | 43 |
| Auto-Stop | 4 | 58 |

Maximum Pressure

57 psi

Design & Build

Certifications

CE • ETL • RoHS • GS

Cooling Features

Yes

Outlet Connection

1/8 BSP Male
