

Mini Brush Set for Machinery Cleaning

This 3-piece mini brush set features durable wooden handles and varying bristle types for versatile cleaning and detailing applications. Ideal for reaching tight spaces and removing stubborn residue, the set includes brushes with steel bristles.

Product Overview

Versatile Cleaning Solution

This 3-piece mini brush set is designed for precision cleaning and detailing in industrial and machinery environments. Featuring durable wooden handles and robust steel bristles, these brushes are engineered to tackle stubborn residue, rust, and corrosion in tight, hard-to-reach spaces. Their compact and lightweight design ensures ease of use and convenient storage, making them an essential tool for routine maintenance tasks.
